

Southwest Aerospace **Part 25 ADS-B AML STC**

AN IDEAL ADS-B SOLUTION FOR YOUR PART 25 AIRCRAFT

Southeast Aerospace Partnership

Southeast Aerospace is partnering with Garmin, Gables Engineering, and Peregrine to provide a low price ADS-B solution for Part 25, non-TCAS II aircraft.

Don't spend more than necessary to comply with the mandate!

With the SEA solution there are no complicated questions to answer or escalating prices.

The estimated installed price stays between

\$40-50K
