

QUALITY STATEMENT

Southeast Aerospace considers quality as the foundation of its organization. We are constantly enhancing our internal processes meeting and exceeding industry and regulatory requirements. Our commitment to quality facilitates the highest level of confidence with our customers.

Southeast Aerospace empowers all employees through its mission of quality. The skills and dedication of Southeast Aerospace employees ensures our commitment to the highest level of quality in our products and services. This quality mission ensures brand recognition through the high standards we integrate into all services we provide. Southeast Aerospace continuously strives to improve quality practices, policies, and procedures meeting the expectations and requirements of our customers.

John B. Braddock III
President / CEO
