**To Whom it May Concern:**

L3 Aviation Products confirms that:

**Southeast Aerospace  
1399 General Aviation Drive  
Melbourne International Airport  
Melbourne, FL 32936**

Is an Authorized L3 Aviation Products Dealer and has been one of our Top Dealers in our Dealer Network since 1998 and is well known throughout the Southern United States as a highly regarded Avionics Shop and Modification Facility.

Southeast Aerospace personnel have completed L3 Aviation Products training, has all the essential test equipment to service and install our equipment, and expertise/experience to sell, install, interface, and provide technical consultation, warranty repair administration and non-warranty repair administration of L3 Aviation Products which includes L3 Avionics Systems, ACSS, L3 Aviation Recorders, L3 Display Systems, and L3 Electronic System Services.

A further requirement for being an L3 Aviation Products Dealer is an FAA Certified Repair Station.

Southeast Aerospace holds and maintains FAA Certified Repair Station Certificate # C66R266N for over 20 years.

Please contact me if any further information is required,

Regards
