Southeast Aerospace

SEA Jacksonville Co. Sheriff Project

Southeast Aerospace (SEA), located in Melbourne FL, recently completed a contract with Jacksonville Sheriff's Office to install the Technisonics TDFM-9100 Multi-Band radio in their fleet of rotorcraft, which included two Bell 206B, one Bell 407 and one Bell OH-58A Helicopters.

The installations were completed at SEA's facilities at Orlando Melbourne International Airport, Florida. The TDFM-9100 is an airborne multi-band radio capable of operation in conventional, analog and P25 digital FM systems, SmartNet/SmartZone trunking systems and P25 9600 trunking systems.

Contact SEA's PMO department for more details regarding an installation of this system.

FAA/EASA APPROVED REPAIR STATION # S66R266N
