SLCSO OH-58 Major Modification Completed

Southeast Aerospace recently completed a major modification of 2 Bell OH-58 helicopters for St. Lucie County Sheriff's Office. The mod included an SEA designed and manufactured wider more robust milled Instrument panel with a molded Nomex glareshield as well as a vertical pedestal panel with an 18 degree forward slant. An Aspen EFD 1000H was installed along with a Garmin GTN-650H, a Becker AR6201 VHF, a Jupiter JA94 Audio Controller, and an ADS-B compliant GTX-33 transponder.

SEA also installed and interfaced tactical mission equipment including a TDFM-9100 Dual Band Transceiver, a Power Sonix Public Address system, Churchill Augmented Reality Mapping system, Wescam MX-10 Camera with external disconnects and a Macro-Blue Monitor and controller.
